KNX CERTIFICATION COURSE

This 5-day course takes place at Ivory Egg, and finishes off with the required exam to become a KNX Partner.

Please see the [Ivory Egg website](http://www.ivoryegg.co.uk) for current dates and to book the courses.

The training course delivers ...

- KNX / EIB theory and concepts
- Practical training in ETS (the manufacturer independent programming tool). By completing this course with us you will also receive a discount when you purchase or upgrade to ETS4 Professional.
- KNX Certification via an Exam on the last day
- A path to KNX Partner status including presentation on the KNX.org website and the right to join the national association KNXUK.org
- Invaluable practical examples, anecdotes, real-life examples

Cost

We are charging a nominal sum for this course to cover costs. It includes all documentation, lunch on all days and an evening meal with the other delegates.

Successful completion of the exam will entitle the delegate to purchase a discounted copy of ETS from KNX.org

The total charge is £975 excl. VAT.

Timing

- We would like to start by 09.30 each day and ask that everyone tries to get to us for around 09.00 to facilitate this.
- We will take around 30 minutes or so for lunch each day.
- We expect to be finished around 15.30 on the Friday

Requirements

Delegates are expected to be familiar with electrical installation in buildings and to have a good working knowledge of windows software. Computers and the required programming software, ETS, will be provided, but if users wish to bring their own laptop computers with their own copies of ETS they are welcome to do so.

Wireless internet access facilities will be made available to delegates during break periods.

Housekeeping

- If you have any special dietary requirements please let us know as soon as possible. If we hear nothing we will assume you are omnivorous.
